

Grayling Vikings Open 1950 Grid Season At Pellston Friday

The Grayling High Vikings open the 1950 gridiron wars tomorrow afternoon when they travel to Pellston to open a seven game fall schedule of which two will be played under lights.

The powerful Charlevoix Rayders are due to open the home stand when they appear here at the City Park Field next Friday, September 22. Both the Boyne City and Mancelona games away will be played at night under lights.

Coach Bruce Smith assisted by Robert Bovee have been hard at work for several weeks whiping a squad of 27 boys into shape for the fall football season. It is still too early for Coach Smith to predict what his charges will do, but he added that the starting Viking lineup looks very good in places and a little lacking in others.

Picked to start at defensive ends is Skip Hanson and Warren Hatfield, tackles, Lee Nolan and Bob Sunday, guards Jack Barber and Ellery Horning, line backer, Bill Worden, and J. Kolka, halfbacks. Hank Feldhauser and Jim McLean and safety position Duane Worden. The Viking offensive eleven is Hanson and J. Goss at ends, Nolan, Hunter, Hatfield or Barber at tackles, Sunday, J. Kolka or Earl Jensen at guards, Horning at center, Feldhauser at quarterback, McLean and Duane Worden at halves and Bill Worden fullback.

The defensive line averages 174 pounds while the backfield averages 152 pounds. Offensively the Viking forward wall will average 166 pounds with the backfield at 160 pounds. Others not named to starting positions but showing definite promise and expected to break into action are Bob DeRousa, a transfer student who is a good sophomore prospect, Pete Millikin, 175 pound freshman who will be in the lineup, Roger Kessler and Ted Davenport both

Potato Growers To Vote On Continuation Of Marketing Order And Price Support

Potato growers in Crawford County will be asked to vote in a referendum that will determine whether Federal price support and an amended Federal marketing order for potatoes should be continued, Mr. Hummel, chairman of the Crawford-Otago County PMA Committee, has announced.

The referendum, to be conducted by mail, will be held during the week of September 25 to 30 inclusive, and any grower who produced 1949 crop potatoes for market will be eligible to vote.

A ballot, copy of the amended marketing order, instructions for voting, and a postage free addressed envelope for returning the ballot to referendum headquarters will be mailed to all known eligible potato growers in the county sometime prior to September 25, Mr. Hummel said. Growers will then have until September 30 in which to mark their ballots and place them in the mail for return to R. E. Keller, an official of the U. S. Department of Agriculture in Chicago who has been appointed by the Secretary of Agriculture as his agent in conducting the referendum.

In addition to Michigan growers, Wisconsin, Minnesota and North Dakota growers will also be asked to vote in the same referendum, as well as growers in several counties of Indiana and Iowa.

Specifically, growers will be asked to signify whether they approve or disapprove the issuance of Federal Marketing Order No. 60, with amendments, authorizing regulation of the handling of potatoes grown in the North Central potato production area (Michigan, Wisconsin, Minnesota, North Dakota, and the several commercial counties of Iowa and Indiana).

The order must be approved by at least two-thirds of the growers voting in the referendum, by number or by volume of production, before it can be issued by the Secretary of Agriculture, Mr. Hummel said.

Start Another Remodeling Here

As work progressed smoothly on the new Peterson Hardware Company store on Michigan Avenue in Grayling, another remodeling project was started at the Hartley Building on Cedar St., housing the Black and White Grocery.

Announcement was also made by Don Gothro, manager of the Peterson Hardware store that they had added the complete line of Hotpoint household electrical appliances.

The remodeling project at the Black and White Grocery will leave an entire new front on the building with more space available in the interior. Upon completion of the new front design a complete change will be made in the heating system, eliminating radiators and replacing them with heating elements which again will enlarge floor space for display purposes.

Kiwanis Club Notes

Kiwanian Henning Knudsen was in charge of the program at the weekly meeting of the Kiwanis Club of Grayling held at the Lone Pine Inn Friday evening.

Program Chairman Knudsen gave a short talk on modern life in Denmark and passed around many pictures to the members of various scenes in Denmark.

New Train Schedule Here

Announcement has been made by Stanley Flower, New York Central Railroad agent, of a change in train schedules.

The southbound train No. 338 will arrive in Grayling at 11:40 P. M. instead of 12:00 A. M. as heretofore. The Detroit or northbound train will arrive in Grayling at 5:03 A. M. instead of 5:20. This train will leave Detroit at 10:30 P. M. one-half hour earlier than in the past.

Golf Club Auxiliary News

Following is a note received by Mrs. Alfred Sorenson, 1950 auxiliary president from Mrs. Ralph A. Loveland, wife of Commanding General Loveland of the Michigan National Guard:

Dear Mrs. Sorenson:

In behalf of the National Guard and Reserve Officers wives I want to thank the Woman's Auxiliary of the Grayling Golf Club for the very lovely party they arranged this summer for us.

Your very fine hospitality and cordiality throughout the 1950 season made our stay at Grayling unusually pleasant this year.

We all enjoyed meeting and knowing you better and look forward to seeing you again.

Many thanks!

Sincerely yours,
Helen B. Loveland.

Local Bowling Leagues Get Season Underway

The Grayling Men's and Women's Bowling League both got their season underway this week at Spike's Recreation as the men started off Monday and Tuesday evening and the women tonight and Friday night.

The men are represented by 16 teams and will bowl one shift each of the two nights beginning at 8 P. M. sharp. A new rule for this year for the men does not allow a bowler to catch up if he is late. He must be on hand to bowl when the match starts or is declared absent for that game.

The women who will get their season started tonight also are represented by 16 teams and tonight's match on the eight alleys will pit Plaza Grill against Tip Top Togs on 1 and 2 and Dawson's against Burns Hardware on 3 and 4, while Spike's will face AuSable Insurance on 5 and 6 and Shirlee Shop will roll against Hanson's Chervolts on 7 and 8. On Friday evening Sorenson's will face Bear Archery on 1 and 2 and Church Electric will bowl against Spike's Recreation on 3 and 4, with Horsehoe Inn facing Weaver's Bottle Gas on 5 and 6, and AuSable Hotel vie with Olson's on 7 and 8.

Legion Baseball Excursion Cancelled

The scheduled baseball excursion to the Detroit Tigers-New York Yankees game on Saturday, September 16 via the New York Central railroad has been cancelled, it was announced Tuesday by the committee in charge for the Grayling Post of the American Legion.

The apparent lack of interest shown due to the small percentage of tickets sold up to that day made it necessary to cancel the trip, it was said.

With but a small percentage of the tickets actually sold, it was necessary to guarantee payment of the full load of 300 both on the train and at the ball park which involved an amount too large for the sponsoring organization to underwrite and the excursion was cancelled.

The committee wishes to thank all of those who bought tickets and to announce that the tickets may be turned back for the purchase price at the place or person from which it was originally purchased.

Quartette To Appear At Free Methodist Church

Professor Kingsley and a male quartette from the Spring Arbor Junior College will be at the Free Methodist Church Sunday, September 17th at 8:00. The program will consist of several selections from the young men and a short address by Professor Kingsley.

The public is cordially invited. We would especially urge the young people to be present.

Mrs. Laura M. Truettner Laid To Rest

Mrs. Laura M. Truettner was laid to rest in the Quinnessee Michigan Cemetery Monday, September 11, following a prayer service read at the Erickson and Son Funeral Home at 11 A. M. in Iron Mountain.

Final rites were read at the William R. Hamilton Funeral Home in Detroit, Michigan, at 11 A. M., on Saturday, September 9, and the remains taken to Iron Mountain on Sunday.

Mrs. Truettner passed away at Harper Hospital, Detroit, early last Thursday morning. She had entered the hospital the previous day. In poor health for quite some time, death was attributed to heart failure brought about by a lung infection.

Born Laura May Cudlip to Ann and James Cudlip in Calumet, Michigan, on April 22, 1878, she moved with her parents to Iron Mountain at the age of two and attended and graduated from Iron Mountain High School. She was also a graduate of Ypsilanti State Normal School following which she taught school in Bessemer, Michigan. She became the bride of Walter F. Truettner in Iron Mountain on September 17, 1902 and the couple made their home in Bessemer until September 1927 at which time they moved to Detroit.

Mr. Truettner came to Grayling in January 1947 when he purchased control and became president of the Grayling State Savings Bank and Mrs. Truettner joined him here in May of that year. In the few years in which she made her home in Grayling she endeared herself in the hearts of many and is survived by a host of friends.

A member of the Order of Eastern Star in Bessemer she belonged to the senior ladies aid of Michigan Memorial Church here and though a member of the Episcopal Church attended Michelson Memorial Church faithfully.

Surviving besides Mr. Truettner are a son, Walter J. Truettner of Palmer Woods, Detroit; a daughter, Mrs. Dorothy Purdy of Grosse Pointe; six grandchildren; and a brother, Wm. J. Cudlip of Iron Mountain.

Mr. and Mrs. Murvel Beck announce the arrival of a son at Mercy Hospital on September 7.

Trial Rye Patch Planting Underway

Work on the experimental rye patches in Crawford County is well under way according to Shirley Gowling, District Forester for the Conservation Department, who is supervising the work.

Sites selected for the plantings in Crawford County are located near the north end of the Hanson Refuge, near Lovells on the West Branch of Big Creek, near Mc-Masters Bridge and South of County Road 612 near Goose Creek.

The establishment of the experimental plantings is a result of a decision by the Conservation Commission at its August meeting to plant rye patches to provide supplemental deer food in seven Lower Peninsula counties where deer starvation has been experienced in the past due to winter food shortages.

Test patches of about 100 acres per county are being made in Crawford, Iosco, Kalkaska, Montmorency, Ogemaw, Oscoda and Roscommon Counties.

Conservation Commissioners have emphasized that the program was established on an experimental basis—that they believed it should be tried in an attempt to solve the spring starvation problem.

Difficulty in locating suitable openings in some areas on State owned lands near the winter yards has been encountered. Soil of an inferior quality for crop production is found in many of the existing openings.

1,400 bushels of rye seed are being used in the project throughout the seven counties. 12 tons of fertilizer are used on sample portions of the patches.

According to Gowling, whenever possible, farmers residing near the experimental plantings are being hired to prepare the soil and plant the seed.

W. S. C. S. Holds Meeting At M. M. Church

A meeting of the Women's Society of Christian Service was held at Michelson Memorial Church on Monday evening. A business meeting was held, a skit presented and lunch enjoyed.

Mrs. Sigwald Hanson of Mt. Pleasant spoke briefly on her experiences on the Institute of the Grand Rapids Conference of W. S. C. S. held at Albion.

On Wednesday, October 11, a family potluck dinner is planned for members of the church and the Youth Fellowship is invited. Miss Franz, home missionary will speak. A Harvest Supper is planned for October 18, and a rummage sale is tentatively planned for October or November. It was also voted to hold a joint meeting of the two circles every two months, that meeting to be the first Monday of the month held.

Mary Martha Circle will meet at the church on Tuesday, September 19th at 8 P. M.

EMTA Issues New Accommodations Book

The new, 1950-51 edition of Fall and Winter Accommodations Directory, issued by the East Michigan Tourist Association, is off the press and now available for free distribution. This handy, pocket-size directory will greatly aid autumn color fans, hunters, fishermen and winter sports enthusiasts seeking comfortable accommodations during the off-season months.

An interesting observation made during the compiling of information on the opening and closing dates of hotels, lodges, cottages and cabin resorts is the fact that there is a decided increase in the number of places offering year-around accommodations. According to Frank Davis, secretary-manager of EMTA credit for this increase can be mainly attributed to the rapid growth and development of winter sports parks in Eastern and Central Michigan. Prospects for good fall hunting and fishing are bright, and barring unseasonal weather, this should be a banner year for winter sports fans.

Woodruff, Carpenter, Peltz Given County Majority

Cloudy, rainy weather again held the Fall Primary Election vote in Crawford County to an estimated 50 per cent, in although there was a county office race on each ticket. Around 700 ballots were cast in the county with the City of Grayling producing almost 400 of them.

Incumbent Crawford County Sheriff William Golnick won the Republican nomination over challengers Paul Crawford and Homer King as he rolled up 253 votes to 214 and 119 for Crawford and King respectively. Before the City returns were in Sheriff Golnick and Crawford were tied at 125 votes each.

Robert Nelson of Beaver Creek won the Democratic nod to run for Sheriff in the November election as he defeated Virgil (Jack) Wade, 71 to 49.

Harry Kelly, two time governor of Michigan won the Republican majority in Crawford County by almost two to one over his nearest opponent and went right on his way to the state-wide nomination as returns came in. Dr. Eugene Keyes ran second in the Republican Governor's race in Crawford County polling 144 votes to Kelly's 243. Fred Alger, present Secretary of State received 125 votes, Congressman Albert Engel 51 and Brighton's Mayor Thomas Lieth 51. Governor G. Mennen Williams unopposed on the Democratic ticket polled 131 votes in the County.

State Senator William Vandenberg ran well ahead of his three opponents in the race for the Republican nomination for Lieut. Governor polling a total of 343 votes while Liquor Control Commissioner Harry Henderson received 128, Dan Mills 27 and LaVerna Laubengayer 16. Present Lieut.-Governor John Connolly running unopposed on the Democratic ticket received 111 votes.

Yetsen, Congressman Roy O. Woodruff was headed for return to Congress as he received 419 votes to his opponent, Bay City Mayor Elford Cederberg's 146. This margin seemed assured throughout the Congressional District. William Kelly won the nomination on the Democratic ticket as he polled 83 votes to Charles Cliff's 24 and Fred Koenders' 13.

Former State Senator Ben Carpenter of Harrison received the largest number of votes in Crawford County as he ran again for his former post. He polled 292 votes to present State Senator Charles Prescott's 227. Reports indicate, however, in the district that Prescott holds a lead and although the race will be close should win. Wilbur Roach, unopposed on the Democratic ticket for nomination as State Senator received 98 votes.

Present State Representative Emil Peltz of Rogers City seemed assured of the Presque Isle District nomination as he polled 283 votes in Crawford County to 177 for Max Kelsey of Roscommon and 45 for Elmer Radka also of Rogers City. Lee Bennett of Otsego Lake, running unopposed on the Democratic ticket for the nomination, received 100 votes.

Charles Moore unopposed for the Republican nomination as Prosecuting Attorney received 462 votes while present Prosecutor Robert Neafie likewise unopposed on the Democratic ticket polled 124 votes.

Present County Clerk Leo Lovely received 511 votes to pin down the Republican nomination for which he was unopposed while his November rival, Stanley Flower polled 98 votes unopposed on the Democratic ticket.

Present County Treasurer A. L. Roberts unopposed on the Democratic ticket for nomination received 115 votes while Archie Howse who won the Republican nomination and will oppose Roberts in the November election, polled 465 votes.

Incumbent Register of Deeds Fred Niederer unopposed on his own Republican ticket by a rival on the Democratic ticket received 537 votes. Dr. Stanley A. Stealy and A. J. Sorenson, both running for re-election as County Coronors on the Republican ticket and not faced with Democratic opponents received 398 and 364 votes respectively.

When Michigan's 1,315,000

Michigan Mirror
(Continued from Page 1)

were dropped on Detroit tomorrow, "things could be kept fairly well under control . . . for one thing, the state control center is organized . . . How do you feel?"

"No responsible labor groups" have protested against the legislative plan to curb Communists and other "fellow travelers" in Michigan, so reports Paul Weber, press secretary for Governor Williams. One state group did register a protest at the Michigan Civil Rights Congress. Incidentally, the United States attorney general listed the outfit as a Communist-front organization, adhering to the Red propaganda line.

If Michigan has migrant labor problem, so does about every other state. The New York Times recently ran a series of articles on it. Puerto Rican workers have been complaining about wages and housing conditions in Michigan. One variable factor: "The weather. What can we do about it? Even the government's long-range forecast for August was badly off."

Wanted—Capable woman for light housework, and cooking in doctor's family. 3 adults and no children. Most of the laundry is sent out. For interview call Mrs. W. G. Gamble, Phone 3-6381, or write to 2010 Fifth Avenue, Bay City. 14

Michelson Memorial Church News
A number of members of Michelson Memorial Church were in Gaylord Wednesday evening, where a joint quarterly conference with the Gaylord Methodist Church was held.

Last Sunday evening Rev. and Mrs. R. C. Puffer were in Moorestown, where Rev. Puffer preached the service. This was a home coming service as Rev. Puffer at one time was pastor of the church there.

Monday evening members of the W. S. C. S. met at the church. A nice meeting was enjoyed with Mrs. J. L. Martin in charge.

September 18 through 22 Rev. R. C. Puffer will have charge of the devotional broadcasts at 10:30 A. M. each morning over Station WATC, Gaylord.

Customers' Corner
School days bring new problems for many of our customers. There are lunches to be packed, after-school snacks to be kept on hand. Shopping habits may change, too, because the children aren't available to help. If there's anything we can do either in the way of food or service to make your school days' shopping pleasant and easier, please let us know. Please write: Customer Relations Dept., A&P Food Stores, 420 Lexington Avenue, New York 17, N. Y.

The Country Press Says:

Paris, Tenn., Parisan: "Latest Civil Service figures show that the U. S. Bureau of Indian Affairs employs 12,741 people to care for the 333,969 Indians in this country; one bureaucrat for every 27 Indians."

Whitesburg, Kentucky, Mountain Eagle: "Holmes Alexander, newspaper columnist, recently wrote that studies now being made show that Federal propaganda forces—about 45,000 government hired publicity writers—are engaged in a cold war against voluntary health insurance, for example. Pay-it-yourself plans have been entirely too successful for the socialistic state planners. It is sure rubbing it in when we, through taxes, are forced to pay the wages for work that is often against our best interests."

Cuero, Texas, Record: "Since the beginning of the Korean incident there has been mounting demand from many sources for curtailment of government activities in line with the curtailments which will be demanded of private business and individuals. Industry is expected to submit to materials allocation and to government instructions as to priority of orders; retail business is expected to co-operate in measures to hold down prices and reduce consumer buying, thus reducing their income. Many individuals will have to leave their civilian pursuits and enter military service. Why should not the government, also, make sacrifices?"

Middlebourne, West Virginia, Tyler Co. Journal: "Well inflation can be brought upon ourselves here if we hoard, buy greedily and try to purchase our future needs from today's stock and bid and vie against each other for possession of commodities of life."

Emporia, Kansas, Gazette: "The right of revolution proclaimed by Jefferson, and reiterated by Lincoln, was conceived to be the right of the people to overthrow a tyranny, not the right of open advocates of tyranny to overthrow the government of the people."

Looking for a Money Saver?

Better Buy Buick!

YOU CAN SEE here how smart it is—don't have to be told that it's the most quickly identified car on the road today.

You probably know that the engine under that broad bonnet is a Fireball straight-eight valve-in-head engine and a lively stepper in any company.

You can check the abundance of its room by the simple expedient

of taking the family and trying out its spaciousness at the nearest Buick dealer's—and a very few minutes on the open road will satisfy you that all-coil springing, low-pressure tires and Buick's torque-tube drive really do produce a ride that is matchless for its soft comfort.

BUT RIGHT NOW, it may be that the money angle is the thing uppermost in your mind, and on that we'd like to make two points:

All our records go to show that this is the most economical Buick ever built. It is easy on gas, on oil, on tires, on upkeep.

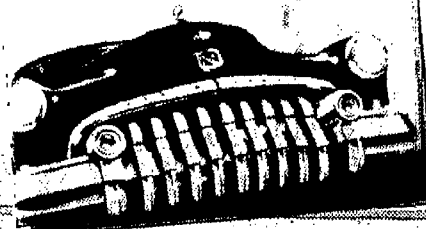

And if you choose it with

Dynaflow Drive,* it immediately eliminates all chance of friction-clutch repair and replacement—not to mention greatly reducing rear-axle and transmission maintenance.

Best of all, your initial outlay is a highly favorable one—whatever Buick you buy. For these brawny straight-eights—built rugged and solid for durable service—are priced at a level that makes them a standout buy in any price class.

Yes, better buy a Buick. Your dealer will be glad to demonstrate, glad to work out all the arithmetic of a deal. See him right away and get an order signed.

*Standard on ROADMASTER, optional at extra cost on SUPER and SPECIAL models.

SHORT STORY

Ironclad Excuse

By Richard Hill Wilkinson

SHORTLY AFTER his marriage to Lynn Harvey it became evident to Burt Englewood that his wife was a procrastinator of the first order.

This was annoying because Burt was used to order and system and routine and regular schedules. He had definite time for doing things, and he did them as planned. He was never late for an appointment, and never left articles of clothing strewn around. He never set over until tomorrow things that could be done today.

Despite his annoyance, Burt tried to be fair. He realized that there must be certain things about his own habits that proved distracting to Lynn. And so, instead of complaining, he endeavored to discover his own faults and rectify them in the hopes that she would take notice and try to improve her own deficiencies.

But no matter to what ends he went his endeavors and sacrifices made no impression whatever on Lynn. She continued blithely to procrastinate, and the blame innocence with which she accomplished it fairly caused Burt to writher. At length he was driven to complaint. The occasion was provoked by a bureau drawer void of socks when Burt was in sore need of these articles of apparel.

"Good heavens, Lynn!" he blurted. "I own two dozen pairs of the things. Certainly there must be one washed and mended."

Lynn's eyes widened. She looked apologetic and contrite. "Darling! I'm so sorry. I intended to finish them up last night, but as you know, the Westlands dropped in and I simply couldn't."

Which was true. After awhile Burt began to suspect his wife of strategy, of manufacturing excuses for the sole purpose of evading the inconvenience of household duties. He began to suspect her of being lazy. The more he thought about it, the more convinced he became and presently he accused her openly.

Lynn looked at him with a hurt and angry expression. "Burt Englewood! You think that! Of all things! Why, I can't believe it! And I have been trying to improve, too. Only—only I haven't been feeling well lately. I've even thought of going to a doctor."

"Doctor!" Burt scoffed. "You don't need any doctor. What you need is a little backbone and ambition! You're just downright lazy, and I don't mind telling you it's getting on my nerves."

FOR A MONTH THINGS were serene. And then one day Burt came home and found Lynn asleep on the living room couch, and the breakfast dishes still in the sink.

New Tourist Bulletin Now Available

"Planning Better Overnight Accommodations" is the name of a new 24-page bulletin issued by Michigan State College to aid tourist and resort operators.

Written by C. A. Gunn of the M. S. C. agricultural engineering department, the bulletin is based on five years' study of quarters for tourists and travelers in Michigan.

The publication is illustrated with drawings, photographs, and diagrams, making it easily understood. The author calls special attention to the four main elements that are needed for an attractive, efficient and easily maintained business:

1. Attractive, functional and well-constructed buildings.
2. Adequate and safe water supply, waste disposal and other utilities.
3. Ample openness and effective landscape plantings.
4. Convenient automobile and foot access.

Four pages of layout diagrams give suggestions for a variety of site and patronage situations. Many of the recommendations will be of interest to those operators who wish to remodel present facilities.

Although primarily a guide to

and dinner not yet started. He woke her roughly

"... You're just downright lazy, and I don't mind telling you it's getting on my nerves."

"Well, what's your iron-clad excuse this time? Have a pain in your foot or something?"

"No," said Lynn, "it's in my side. I don't know what it is, Burt. Besides, I was dreadfully tired. I'm awfully sorry."

"Tired? Lazy, you mean!"

Lynn sighed and started for the kitchen. "All right, Burt. I'm sorry you don't believe me."

Burt was mightily pleased with himself. Moreover, it gave him a certain feeling of superiority, appeased his vanity.

Thus having satisfied himself that Lynn was once and for all definitely cured and having promised himself that he would never again break down when she offered her excuses, it was something of a shock to return home two days later and find her stretched full length on the couch.

"Well," he roared, "what is this, a game? There's plenty to be done around here, yet you seem to find time enough to take a snooze. Just what is your excuse this time? Now don't tell me you're sick or something. That gag's worn out."

But Lynn didn't move. She lay there, very still. And presently Burt came nearer, bent down to peer at her face. A horrible, sickening fear clutched at his heart; a wretched sense of shame and guilt and self-condemnation.

For Lynn had an iron-clad excuse at last that was flawless.

MICHIGAN MIRROR

The value of your dollar is still going down—with scarce buying power playing the villain's role in the trend. Not by hoarders in retail stores, according to Wall Street, but by merchants, wholesalers and manufacturers who have flooded primary sources of commodities with anticipated orders.

An American Legion official at the convention in Grand Rapids in asking for universal military training says: "The Neck of the United States is lying on the chopping block just like a Thanksgiving turkey." He demanded immediate and complete preparedness for national defense.

Mirror of a possible labor shortage in Michigan are MUCC figures showing unemployment compensation benefits have dipped to the lowest point since World War II. Only 21,846 persons were on MUCC roles at last muster. Lowest figure (during World War II) is 6,000.

Michigan game bird hunters have been promised better shooting this next fall. State conservation wildlife survey indicates the cock pheasant population is up 35 percent.

And the hog is helping the conservation department now. The job turned over to the pigs is to root up sod in woodlots so nut and fruit-bearing trees and shrubs can seed themselves better.

Timely question: To what extent will the Korean crisis effect the voters' preference of Republican candidates for governor in the September 12 primary? It's difficult to concentrate on Michigan politics when war headlines jam the front page and dominate the radio.

Oscar G. Olander, former state police commissioner, is being advanced at Lansing for civilian defense director. The legislature

WILLING WORKERS 4-H CLUB

The 4-H Girls of Lovells and North Branch concluded their year with three meetings in August in order to complete their required work.

The first meeting was held on August 11 at the home of Barbara Johnson. A salad demonstration was the main event of the lesson, after which everyone enjoyed a potluck supper.

At the second meeting on August 23, at the home of Nancy and Marilyn Stokes, the workbooks were completed and reports of each ones progress given. This lesson was followed by a picnic.

The third and final meeting was

the Club Luncheon on August 30 at their leader's home. Those present were the leader, Mrs. Johnson, Barbara Johnson, Julia, Lois and Dorothy Doby, Marilyn and Barbara Wade, Nancy and Marilyn Stokes. Invited guests were Mrs. Ray Doby, Mrs. James Stokes, Janet Johnson and Mrs. Charles Wade being unable to attend.

After luncheon, cooked and served by the girls, Marilyn Wade, president of the group, presented small gifts to Nancy and Marilyn Stokes, who are leaving this community. The club is sorry to lose two members but wish them well in their new home.

This club was well represented at the 4-H Fair at Traverse City last week with exhibits of canning, cookies and muffins. They hope to be as successful as last year and

United Fund Sets Sept. 13 For Annual Meeting Date

An annual meeting and campaign kickoff for the United Health and Welfare Fund of Michigan, has been announced by Stephan S. Nisbet of Fremont, Fund president. The combination meeting will be held September 13, at 11:45 A. M. at the Olds Hotel in Lansing.

In a letter addressed to Directors of the United Fund and to other friends of the United Fund, Nisbet said, "With the newspaper headlines daily reflecting the speed with which national and international affairs are changing, we become increasingly aware of the importance of the tasks we have undertaken."

This year 29 important agencies are members of the United Fund. These include the Associated Services for the Armed Forces, which has worked on the morale-building and spiritual services of the USO since it was dissolved early in the year, and the important health agencies such as the Heart Association, and agencies serving polio, multiple sclerosis, cerebral palsy, arthritis.

Some of the well publicized health agencies have not yet joined the United Fund state-wide. However, each year these agencies are joining United campaigns at the county or community level in more and more places. It appears evident that this trend will continue to grow this year.

In his annual report Mr. Nisbet will call attention to the fact that in last year's United campaigns more than 11 million dollars was raised, at a cost of 7.4 per cent. This amount included the United Fund goal, together with the amounts raised for local agencies and for state and national agencies not yet state-wide members of the Fund.

Prospects are that this year even more communities will join the United Fund and Community Chest campaigns in one big drive in the fall.

A Frank Statement to Electric Customers

Purchase of the Michigan Public Service Company by Consumers Power Company was completed September 8. All former customers of Michigan Public Service now are being served by Consumers Power.

We are proud of the opportunity to supply electric service in this great northwestern Michigan area. We think it is one of the finest districts in the United States with respect to its physical advantages, its people, and its opportunities for growth and prosperity. It is our purpose to contribute to the further development of this area by providing first class electric service at low rates.

We will move reasonable dispatch to strengthen the power supply, install new facilities where needed, and place lines and other facilities in top condition. But we want to tell you frankly that the job is a big one. It can't be done overnight; in fact, it will be at least three years before we can complete ALL the work we now see before us. The cost will be at least \$5,000,000, and this is in addition to \$750,000 that we plan to spend in the next three years on "extraordinary" maintenance, that is maintenance beyond what we would consider normal, to provide dependable service.

We are starting right away on some of the more important jobs such as the preliminary work needed in connection with the construction of two big transmission lines that will make this territory a part of Consumers Power Company's state-wide interconnected system. This system has a generating capacity of more than 1,000,000 kilowatts; it is one of the large systems of the United States. When these tie-in lines are completed, which we expect to have done within the next year, the power supply situation in northwestern Michigan will be much improved. But a lot will remain to be done in the way of rebuilding and extending present lines and providing additional substation capacity.

Many customers have been kind enough to express pleasure at the prospect of receiving Consumer Power Company service. We are grateful for such confidence. But we hope all our customers will understand that some time must elapse before service in this area can be as thoroughly satisfactory as they or we would like to have it. Your patience will be appreciated.

Rate schedules for residential and commercial service somewhat below the former Michigan Public Service Company rates are now in effect. We plan to reduce these rates progressively at yearly intervals until, at the end of three years, they will conform to the standard Consumers schedule then in effect in other parts of Michigan. We are reducing rates as rapidly as possible in view of the large amounts that must be spent during the next three years to strengthen and improve service in this area.

Sincerely yours,

CONSUMERS POWER COMPANY

The following clipping from the Grand Rapids paper was brought in to us and mentions a former Grayling resident: "An Omaha physician has earned an average of \$450 a day X-raying selectees and recruits, 5th Army headquarters disclosed Thursday. The doctor earned \$9,000 in the first 20 days of this month. There is nothing we can do about the situation," a public information officer said. "The doctor is operating under army rules that provide for such payments. The officer quoted Col. Hardin C. Sweeney, commander of the Nebraska military district, as saying the physician was the only one available at Omaha for X-raying selectees and recruits. "Col. Sweeney told me that if he didn't have that one man, he'd have to shut down enlistment operations," the officer said. Col. Sweeney was at one time employed at the Avalanche Office.

Walter F. Truettner, son, Walter J. Truettner, and daughter, and family, Mr. and Mrs. Clayton Purdy and son, Calvin, attended the services for Mrs. Walter F. Truettner in Iron Mountain on Monday. Returning to Grayling in the evening Walter J. Truettner took the midnight to his home in Detroit, while the Purdys spent the night at the Truettner home, returning to Grosse Pointe on Tuesday.
